

## 60-FOOT LUXURY CATAMARAN FOR SALE

Good example of a 60-foot jet-drive luxury catamaran; Australian (Freemantle) registered. A superb party boat for charter around tourist areas or for extended cruising. Has previously cruised Indonesia, Borneo, Palawan.

Built 2001; West-system epoxy fibreglass/falcutta sandwich.

Twin 700hp Caterpillar 3406E diesels; less than 800 hours each; top speed 22 knots, cruising 12-15 knots. Range: 500 miles without refueling. Hamilton Jet-drives; ideal for cruising and accessing shallow waterways and beaches; can be beached on sand/mud without damage to jet-drives; draws only 90cm.

13KVA generator plus 3KVA stand-by genset.

4-berths (double & single bed in each) sleeps 12; additional sleeping in saloon area.

Interior refurbished 2010; air-conditioned, carpeted throughout.

Entertainment areas, swim platform, galley, bridge deck. Complete with: bar-b-que, freezer, refrigerators, microwave, gas hob, stereo, television.

40 gallon/hour watermaker.

Dinghy hoist and cradle. Life-raft, life-jackets, EPIRB; navigation equipment.

This luxury catamaran will probably be considered a corporate entertainment investment or as a core asset in a tourism/charter enterprise. With her shallow draft and jet-drives she can easily approach sandy beaches or muddy estuaries for easy boarding and embarkation.
