

Ocean Cove House & Lot For Sale Davao

House & Lot For Sale

Php 1 million up

Ocean Cove is the 4th residential house & lot subdivision project of Filinvest Land, Inc. in Davao City. Set in almost 16 hectares of ocean front property, Ocean Cove offers excellent property investment potential on the shores of the Davao Gulf.

Ocean Cove house & lot, lot areas are typically 144 sqm to 250 sqm; Ocean Cove is the first residential subdivision in Davao City that delivers the theme of the French Riviera. Starting at less than Php 1 million for the 144 sqm lot area, with up to ten years to pay. Lots available for house construction early 2011.

The entire Ocean Cove House & Lot development features: 24-Hour Security, is enclosed within a Perimeter Fence and has its own Sewage Treatment Facility, Efficient Water, Drainage and Power Distribution Systems. The Ocean Cove residential subdivision project offers house & lot owners superior amenities like no other existing residential subdivision in Davao City. This residential project is focused on the needs & aspirations of middle-income home owners.

For Sale Price: Php1 million up
