

FORMOSA 43' "KALAYAAN" for Sale

After having completely refurbished this proven blue-water sailing yacht, it is very unfortunate that I have to sell the "Kalayaan" due to health reasons. The yacht comes with the following brand new equipment: Yanmar 3YM30AE engine, Hyde Sails fully battened main sail + cover, Garmin autopilot, Garmin chart plotter, Garmin, echo sounder, Lewmar electric anchor windless, Highfield 3.1 meters dingy with 15 hp Suzuki outboard engine, Davit for dingy, Bimini + frame, electric toilet, 3 x automatic bilge pumps and much more newly installed equipment. The interior and exterior have been completely redone. Anti-fouling was done in 2024. Water-maker overhauled in 2025. Overall, the "Kalayaan" is in better than new condition. Lays currently at Subic Bay Yacht Club.
