

52-foot Steel Cruising Yacht For Sale

Description:

Built in Sydney in 1972 this magnificent and purposeful yacht has travelled the oceans and seen the world. She has been registered in Australia, the United Kingdom the United States and currently in Hong Kong

In 2006 she completed a 2-year renovation whereby she was completely stripped down and sand blasted inside and out and anything less than 5 mm steel thickness cut out and re-placed with compatible Corten steel. To all extents and purposes, she's a 2006 new build with a new interior, mechanical and electrical systems, new mast, rigging, winches, etc etc but also a classic and one that gets noticed on the dock. Photos of restoration available on request.

She is easy and very comfortable to sail despite her size and will give you a comfortable sail at 6 to 7 knots in everything from 10 knots to 30 knots of wind, and if that doesn't work for you she will plough through a force 8 gale at 7 knots with her fantastically reliable and oversized 135HP Isuzu engine which has full walk in access within its sound insulated engine room

We purchased her in 2000 and had a lot of fun rebuilding her, living aboard her, planning overnight trips exploring Hong Kong's islands and then in 2011 we spent a wonderful 15-month holiday sailing around the Philippines, Malaysia and Indonesia with family and friends.

She is spaciouly laid out with two double cabins fore and aft, both with en-suite. Spacious open galley and saloon with good storage for extended cruising. The cockpit has part solid, part removable dodgers and aft is a super comfortable seating which is integrated into the davit system which also supports solar panels, wind turbine, WIFI etc

Surveyed in 2007, 2011 and 2017 with valuations HKD 1.75, HKD 2.0 and HKD 1.5 million respectively. Survey reports available on request.

We (the owners) have been transferred to Australia and see it as a practical time to sell. Time to let the next explorer live their dream.

She has a private mooring in shelter cove, Sai Kung

Specification / Inventory:

General:

Launch Year: 1972 and again in 2006

Length: 52'

Beam: 14'

Draft: 6'

Displacement: 24 tonnes

Designer: C. M Sapsford

Builder: Cunnigham & deGraff, Sydney

Hull Material: Corten Steel

Engine:

- Isuzu 6BG1 diesel (135HP)
- Newage PRM310 (gear reduction ratio 2)
- Aquadrive thrust bearing CVB21.10 (for 1 1/2" shaft)
- Aquadrive engine mounts
- PSS non-drip shaft seal

Bilge:

- ARMIT BilgeMAX wireless boat bilge monitoring system
- Whale bilge pump
- Whale manual bilge pump

Genset:

- Portable Honda EU20i petrol generator

Fuel:

- Approximately 1000 litres. Enough for ~7 days motoring at 1500RPM (6.5knots)

Water:

- Approximately 800 litres

Toilet / Shower:

- Jabsco water pumps
- Seaward Products -Water Heater S-1150 (11 Gallons)
- TMC electric toilet
- Jabsco manual toilet

Accommodation:

- Interior rebuilt
- Marine Air vector turbo 16,000 BTU airconditioner, control panel and pump
- Helle turbo fans
- Camfrano fans

Galley:

- Plastimo neptune 2000 cooker
- BEP-600-GDL Matrix gas detector and control box
- Double sinks with fresh and salt water taps
- Ample storage for provisions
- Whale galley sump pump

Refrigeration:

- Isotherm cruise refrigerator 130L ASU
- Large Icebox

Ground Tackle:

- Maxwell HWC 2200 windlass
- Lewmar delta anchor weight
- Fortress FX 125 anchor rated for boats 69 - 150ft (storm use)
- 100m 10mm anchor chain
- 3x150ft rope

Electrics:

- Victron EasySolar Solar Charge Controller, inverter/charger and AC distribution in one enclosure
- 4 x 200Ah deep cycle house batteries
- 2 x 200Ah engine batteries
- 100Amp Balmar Alternator and Regulator
- Spare 60Amp Alternator
- 2 x Photowatt PM1000 solar panels
- 1 x Photon PM0110 solar panel
- Eclectic Energy D400 Marine Turbine

Electronics / Navigation:

- Simrad IS15 Combi display with depth, speed/temp transducer
- Simrad IS15 Wind with wind transducer
- Simrad Epirb EG50 manual release
- Simrad AP 25 Control Unit
- Simrad DD15 Direct Drive Unit
- Simrad AC 20 Computer Unit
- Simrad RF300 Rudder Feedback Unit
- Simrad RC36 Fluxgate Compass with Rate Sensor (mini gyro)
- Simrad Remote Commander
- Koden GPS , KGP913
- ICOM VHF M505
- ICOM MXA-5000 AIS Receiver
- RadioLabs WaveRV Marine WIFI
- Bluetooth / Kenwood Amp /Bazooka Speakers

Sail Inventory:

- Sails East Mainsail
- UK Halsey Cruising Genoa 8.5oz TNF Dacron 62.79m²
- UK Halsey Cruising Stay Sail 8.0oz TNF Dacron 24.61m²
- Asymmetric Sail

Mast / Rigging:

- Sparcraft Ocean 19.2m mast and boom
- Fully battened facnor track / cars
- Profurl C430 Furler Luff 18m Pin Size 3/4" LLP

Deck Gear:

- 2 x Anderson Winch 58 ST 2-speed
- 4 x Anderson Winch 46 ST 2-speed
- 1 x Anderson Winch 28 ST 2-speed
- Blocks, jammers etc all top of the range and in good order
