Marine manual toilet

SS sink with manual foot pump for water

Large mirror in head.

Extras

Inflatable dinghy (new) Hyfield 2.3m RIB, Yamaha 2 hp outboard (new)

Cockpit table

Cockpit cushions

Comments

Very well maintained vessel and very good for its age. Some new expensive items like mainsail and upholstery. Vessel has been re-engined in 2009 and the engine has low hours still. Overall the vessel is of very good presentation and has recently done

a major ocean voyage to prove it's seaworthiness and integrity. Down below the interior joinery and woodwork presents very well with minimal signs of wear and tear. The saloon upholstery is new.

Price: US\$65,000
