

Fontaine Pajot Maldives 32 Catamaran For Sale

Fontaine Pajot Maldives 32 cruising catamaran for sale. 1993 version of this popular cruising catamaran, available in Negros Oriental. The yacht was originally purchased and registered in Japan by the current owner and sailed to the Philippines some ten years ago. The yacht has not been sailed much recently because the owner lost a leg (motorcycle accident) and is less mobile than he used to be.

Featuring:

Four berths - two doubles aft, two singles forward (mostly used for storage of bulky items). Generous saloon with headroom extension in galley area, to allow for taller people to effortlessly prepare culinary masterpieces. Twin, inboard, Yanmar, 2-cylinder marine diesels, each with 30-Litre fuel tanks, driving twin-blade MaxProp feathering propellers through Yanmar saildrives. Steering position is starboard side. On deck all windows and the trampoline have separate covers to protect them from the bird droppings – a constant cleaning challenge for a yacht in this anchorage. Lofrans electric windlass for effortless anchor retrieval; Profurl jib furler for reliable furling and reefing. Stainless steel gantry over the transom for solar panels. Wooden platform between hulls aft, to provide stowage of dinghy while underway and for recreation when anchored. Hydraulic steering, Plastimo AS-100 autopilot, Marine VHF, depth sounder all apparently working when viewed. The yacht was last registered in Japan but the registration is believed to have expired.

Not working when viewed was the wind direction instrument – masthead sender unit is believed faulty. Observation of port bow shows a repair at deck level, reportedly resulting from hitting an above-water obstruction some years ago. The repair was undertaken by a professional ship repairer and looks sound but not beautiful.

On the to-do list are: new freshwater tank required (original bladder tank is perished); mainsail is in need of repair or replacement (a few holes believed due to bird nesting); antifoul required before entertaining a long voyage.
