The accommodation layout is a double cabin forward of the salon. 2 berths in salon used as seats at the folding dining table and the master cabin in the aft part of the vessel, behind the center cockpit. That cabin can be accessed either from the inside via a passageway on the port side of engine or via a opening in the cockpit. The head & shower is located just starboard of the companionway. Fridge, double sink and gimballed stove/oven are located in the galley, port side of the companionway.
