

# John Pugh 46

## Cruising Ketch For Sale

Now for sale from the first owner a very solid John Pugh designed 46 ft steel ketch. The boat was launched in 2000 and got quite extensive re-fit after 2010s, including new Cummings engine in 2015. The boat with her bilge type keels is very well suited on sailing areas with big tides, as she can sit on her keels when the tide goes out.

The boat has very large usable deck space in both forward and aft, including a huge bench seating area at aft. She continues to impress below decks with a very tidy interior featuring a large double aft cabin with loads of storage space, large galley /saloon / settee area centrally located with excellent light and visibility capitalizing on the large windows. Massive saloon hatch and opening forward windows provides a great ventilation in the tropics. A good sized head and shower is located on port side, forward from saloon. On starboard side of the head there is a wide single berth and on the bow there is a cabin with V berth. The forward section contains a good amount of storage space as well

This boat features also workshop which is accessible from the aft cabin. The workshop provides access to the hydraulic steering mechanisms and to the backside of the generator. The engine-room is located below the saloon and is well accessible from both ends.

### Specification

Builder: Cairns shipwrights (Australian Reg)

Designer: John Pugh

Keel: Bilge Type

Hull Shape: Multi Chine

Hull thickness: 6mm

### Dimensions

LOA: 46 Ft

Beam: 14 Ft

Maximum Draft: 6 Ft

### Engines

Engine Brand: Cummins

Year Built: 2015

Hours: approx 2200

Engine Model: 6B 5.9

HP: 120

Type: Naturally Aspirated

Engine/Fuel Type: Diesel Twin Racor 1000 Duplex

Propeller: 24 Inch, 3 Blade SS 2 1/4 Shaft Hurth 630 A3:1 Reduction  
Drive Type: Shaft Drive with PSS SEAL

### Tanks

Fresh Water Tanks: 2x 600Lts.

Fuel Tanks: 2x 500 Lts.

### Rigging & Deck Gear

Masthead aluminium 2-spreader mast and mizzen with mast steps to masthead

Ketch Cutter-rig with inner forestay

Genoa furler

Staysail furler

### On Deck

Twin bow rollers

Lofrans 12V electric anchor winch

2x 80 LB anchors with 110 metres 10mm shortlink chain

4 x deck winches

Granny safety bar for mast work

Deck wash

Wheel steering

Dinghy davits

2 x 5kg gas bottles.

Yamaha 15hp outboard (2021)

Polycraft Tender 12 feet

### Sail Wardrobe

Mainsail with full-length battens and 3 reef points

Boom bag and lazy jacks for mainsail stacking

Furling genoa with UV strip

### Electrics

3 x 100 watt Solar panels MMPT Controller

Air X Marine wind generator

1000 W inverter

3 x 200AH maintenance free house Batteries

1 x 200AH starter battery

2 cylinder Kubota diesel Generator ( 4 KW)

12V cabin fans

12V outlets

2x Isotherm 12V refrigeration/ Freezer

Electronics and Instruments

ICOM IC-M505 VHF and Werstmarine Helm VHF

ICOM IC-M802 HF Radio and pactor modum

AIS chart plotter Onwa Helm Mounted  
Garmin Plotter  
TMQ auto PILOT Hydraulic  
26 inch LG flatscreen

### Galley

Twin sinks with salt and fresh pressure water  
12 volt Ozefridge refrigeration and freezer with air and water cooled condensing unit  
Force 10 2x burner Gas stove and Oven.  
Ample storage space.

### Heads

One Large fully enclosed marine head with shower and shower stall water  
SS sink cold pressure water facet

.

### Extras

Very extensive spare part inventory including:

- Mounts for main engine
- Fuel injection pump
- Fuel injectors
- Fuel injector lines
- 2 spare starters for main engine and for generator
- 2 spare alternators for main engine and for generator
- 2 fresh water pumps
- 2 salt water pumps
- Belt tensioners
- Belts for main engine
- Transmission oil cooler
- Heat exchanger for main engine and for generator
- Spare set of instruments including wiring for main engine
- Autopilot rudder feedback unit and compass sensor

While the above list is as accurate as the owner can make it at the time of compilation, no responsibility can be accepted for any errors or omissions. It is up to the purchaser to ensure that everything is recorded correctly.
