

Custom Stylish Catamaran 34-foot Philippines Registered commercial ready for business

Build in 2018, this 34' by 20' Catamaran as a unique style, with lots of deck space. All been refurbished in november 2023 (paint, repairs, new mast, new rigs, daggerboards... The master bedroom is in the main cabin for nice living onboard experience (like a loft with a sea breeze and view) 3 rooms single beds inside the hulls and a spacious WC area, dry toilet, and shower. Lite front space withnet in the front.

Solar system, with 2 Lithium LIFEpo4 batteries 24v - 200ah with a hydrid 3000w inverter converter and 2 big solar panels 550 watts total. The boat is powered with a central mounted 70hp Yamaha remote controlled, Garmin sonar, anchor and ropes, fenders, lines and pulley comes with the boat.

30 foot Aluminium mast with mail sail, winch and winch handle, mail sail track. All made with Mahogany, fiber glass and imported french epoxy (axiom)

The boat is Registered in the Philippines for Commercial Use, meaning you can start your business right away with no problem. The boat was used has my house first , then a Luxury room for rent. Later this boat use as a diving boat for coral restoration. The catamaran supporting 15 peoples at least for parties.

The Boat is ready to use but might need some work to set the rigs right some ajustement tp adapt it to your needs. Don't hesitated for any question, i will be happy to answer by email. I'm seeling it because i'm back to live in canadá.
